“ *Dave was an amazing mentor for so many. He always asked me how my life or even just my day was going, & I was always grateful for his insight. He had an amazing way of touching your day with his smile & laugh!! I truly looked up to him & always respected his advice. I saw him like a family member & friend. You are my brother in sobriety Dave & now an angel in heaven. He will be greatly missed & respectfully remembered. My deepest condolences and prayers to his wife & family. God Bless & Love You!*
