“ *There's no words for what I'm feeling right now. I was privileged to have been able to call you husband and best friend. Even through all our ups and downs, you were my person, the rock that kept me grounded... The one that told me I could do whatever I put my mind to. The person I would call to talk me through something like this. I never imagined my life without you here. Rest easy, love, and I'll see you in "springtime with lights". Nikki*
