He was there at our track meets and basket ball games and he was always cheering for our team Davison dragons he made up the saying pump those dragons in track so the other team didn't know what he was talking about but the memories we had were amazing and i miss him dearly

“ I first met Dave at EMU. It was Dave, Al, Moe, and myself. We did just about everything together. From hanging out, to the parties at EMU. Dave was like my brother my another mother. Even though I never got to meet mommy Godwin. I still felt like we were brothers. We had good times in that red ford f150, blasting music riding around Yspi. My last visit to Detroit to watch the Packers and Lions game. I try to get in touch with Dave, but couldn't. But I did see Stacy and Devin , so it was like he was there too. By the way, I was the one who introduced Stacy to Dave. I'm going to miss my brother. Fly high my brother!!! Fly high!!!!!! Ed Smith. “ Peterman”
