Tribute Wall

CP

“ Grandad you are one of strongest men I have ever known. You held your family together until the last day. Work ethics I think we all got that from you. Role model for Q, I so value that part. I am eternally grateful that each time I saw you you would give me my flowers about how Q developed over the years and my contribution to his growth. So glad I got that last hug and picture with you. Love you Grandad always
