“ *Andy and I will surely miss the twinkle in his eye, the confidence in his prayers and the smile he always had on his face. He was one of those people we always wanted to track down to chat with every Sunday right after church. I remember first meeting David at Pastor & Annie Bright's home for a home bible study. It took only a day to recognize the gift God gave him for wisdom. He was one of those rare people that said they would pray for you and you knew they actually DID! We so enjoyed his fellowship and look forward to breaking bread with him soon enough at the Master's table.*

“ I extend my deepest and heartfelt sympathies to David's family. He became a friend and a brother in a very short time. I will miss his smile, his encouragement and his faith. I became very fond of David, as his passion for the Kingdom of God and desire to bring encouragement to others was an inspiration to me and others. I look forward to one day seeing David at the great festival of friends, when we will all be reunited in a great celebration of all things being made new and death no more separating us from those we have loved in our lives. May the God of peace comfort all of David's family and friends who mourn his passing and who will miss him. We will save you a seat on Saturday mornings brother.

“ Not only did I enjoy Minister David McNally Sr. as a member of Perfecting Church, I also had the pleasure of collaborating with him and working with him when he worked for Development Centers at Sampson Webber Academy as he was the assigned therapist collaborating with Henry Ford Health System. I'll never forget his favorite saying as we were discussing a certain situation concerning the Saints!

*"Baby, that's just the window dressing that ain't real"*

“ *David was a very special friend. I was in a very dark place in my life in 2012 when I walked into a church called Orchard Grove on a Sunday in November after being away from church for 40 years. My new life began that day when God took me by the hand and said follow me. A short time later I met David at a men's fellowship breakfast. David was there to help me understand the change I had gone through and what a wonderful gift it was. I have been meeting with David for breakfast for over a year. He was my guide on this new path God put me on. I am eternally grateful that David came into my life. At our last breakfast on the Wednesday before he was called home he said he was proud of me. I hope I continue to make him proud. God Bless you brother David. Rest in Peace.*

*What a loss to the body of Christ! My dear brother McNally held a special place in my heart. Both he and Sister McNally were always a blessing to me in the early day of Perfecting Church. My heart goes out to you and I am praying for the entire McNally family. "Just think of stepping on shore and finding it Heaven; of touching a hand, and finding it God's; of breathing new air and finding it celestial; Of waking up in glory, and finding you're home". "Finally Home"*

“ I would like to let the McNally family know that I am praying for you. I am grateful for your parents and humbled by the love and support shown to me. Remember to let their legacy live on in you and choose to make them proud. You are now their reflections, make them Godly proud of you. Love you so much.
