“ *I'm so sorry to hear about De'Andray passing. I grew up on Burt rd and so did my daughter and nieces and nephews. We stayed about seven houses down from the family and I would always see him riding his bike down the street along with his sister and brother. He was the shortest little person riding a bike on his own and he would put a smile on your face just to watch him ride. I can't believe he turned 17 yrs old so fast when he was just a pre- kindergarten. I pray for the whole family and ask the good Lord to keep you strong during this time. The Taylor Family*

“ De'Andray, I am so happy I had the privilege of being your Spanish teacher and getting to know you over the past 4 years. I still can't believe you are no longer with us. You will always be my "mijo". My prayers are with you and your entire family and friends during this tragic time. I hope you are resting in peace. I'll always love you and have a place in my heart only for you!
