

## Master DeAndre Charles Sylvester Richard

November 4, 2010 - May 22, 2022

In Loving Memory Of

DeAndre Charles Sylvester Richard, affectionately known as “DRE”, was born on Thursday, November 4, 2010, in Novi, Michigan to parents Deandre Darnell Richard Sr. and Cybil Jenae Lett-Richard.

DeAndre attended primary school at Laurus Academy in Southfield, Michigan where he thrived and did exceptionally well and completed the second grade with the University of Michigan CS Mott Children’s Hospital. DeAndre then attended Albert Einstein Elementary School in Oak Park, Michigan. Although DeAndre developed many physical challenges, he remained optimistic and never gave up on his education. He was a very bright and smart student.

DeAndre was proud to have graduated the fifth grade. He was excited to be a pre-teen in Middle School, having begun the sixth grade.

DeAndre was a charmer and a jokester which resulted in him having a great deal of teachers, nurses, doctors and staff wrapped around his finger. Dre had this innate ability to bring unity to his entire family and joy to anyone that he encountered. He was truly a natural.

DeAndre loved Marvel and DC Superheroes, Anime and cooking shows. He was a true “foodie” and dreamed of becoming a French and Italian trained chef. Dre rode in the front seat co-piloting a helicopter and spent a week at Disney World and Universal Studios. He was part of The Dream Cruise in 2021 and he also did a stand-up comedy set. DeAndre loved music and was always working on a “diss track”. Dre had an awesome sense of humor and

could hold a conversation with the best of them. DeAndre became quite the master of “Alexa”.

As DeAndre’s physical abilities continued to decline, his mind grew ever stronger, ever sharp. He often spoke of being happy of the fact that he had his mind and vivid imagination as an escape for himself.

DeAndre was truly loved by all. He was a bright shining star in everyone’s life. He wanted above all else for everyone to get along, be peaceful and to be kind.
