“ This man raised me from 3 years old until 19. I'm totally heartbroken and lost. Sending my condolences to his family. You will never be forgotten

“ *To My Dearest DeAngelo,*

My heart is aching and not in a million years did I expect to be writing this message about you at this time. You will be truly missed by me & my family.

We met over 25 years ago. Our first date was the buffet on a double date. At that moment, I knew you would be in my life forever. You spoke kindness and showed me how I should be treated as a woman. You've always taken care of me and loved me for who I am as a person. Your actions as you always said to me showed me how you felt.

DeAngelo, God put us together for a reason. We've been there for each all these years.

The memories we share together I will keep in my heart forever. You will never be forgotten. Like you said, you will always be my King! Gone, but not forgotten! You will always be in my heart.

Much love Sweetie...RIH

*Loving you always,
Tasha*
