

Mr. Deano Keith Cribbs

February 7, 1987 - May 22, 2022

In Loving Memory Of

Deano Keith Cribbs was born February 7, 1987 in Detroit, Michigan to Cathy Cribbs and the late Timothy Careathers Jr. aka Dimp.

Deano and his brother Vincent (Veno) were raised by their hardworking Grandparents Loretta and Jesse Sharp who retired early to care for them full time.

He received his early education in the Detroit Public School system and as an adult found work in several industries including restaurants, security and construction.

Deano was affectionately known as Luckey Luci to his close family and friends. He loved to eat and had a passion for cooking, often posting the dishes he prepared on social media and even selling dinners. Happy-go-lucky with his father's energetic bright smile, Deano was small in stature, but large at heart when it came to defending those he loved.

As a creative and strong-minded teen, he and Preston Eaton aka P, who was more like a brother than a friend, would make music and write lyrics together, even performing at various talent events around the City of Detroit.

Deano was a loving father and very proud of all of his children. He doted on how intelligent his first born daughter Jada Lynn is. Jada was born from the union with his high school sweetheart Keisha Rutledge. He was a dedicated father to his two handsome sons Deano Jr. and Dylan born of his Loving relationship with Toya Richardson.

Deano was a caring and protective brother of his siblings Krystal, Angel (dec) and Cameron born from the union of his father Timothy and Kempley Cameron.

Deano accepted Christ at an early age and would often attend worship services with good friend Jessica and her Mother.

Deano departed this life on May 22, 2022.

“ I'll miss you more than I'll ever be able to express with words. It pains me so much to know this is what you felt when your close friends died. I wish you safe travels and beautiful moments as you meet again with your loved ones who went before you. You've meant so much to me all these years. Through our ups and downs, I hope that you knew that. I love you and we'll miss you baby daddy.
