“ *I cannot begin to express our sadness at the loss of Dearee. She was a huge part of the 6 South team and will forever be missed!*

I personally found her to be a kind and gentle spirit, a giving soul, and a wonderful person and friend. Two VERY COLD winter nights earlier this year we were in the Central Monitoring Room for training. We were laughing at how the thermometer on my phone was in the minus 20s not including the wind chill (which we had never seen). We talked about our families and it was clearly evident on how important each member of her family was and how happy they made her.

I will always smile when I think of how she said my name with her smooth voice and beautiful accent. I will miss all the future conversations that could have been had and the fellowship that she provided.

*Fondly and sadly,
