“ *Ms D, a jewel so full of life and joy. She left her special mark on everyone she encountered. I have had so many loving moments with this angel and I thank God for allowing us to meet. She was always like a mother to me, she taught me so much about life and living and she I am grateful to have known such a soldier. There was never a dull moment with Lady D. She helped me find myself and I will never forget the times that we shared. I love you Ms D....*

*Always,*
