“ *Dr. Deborah Gail Skannal*

“ *Dr. Skannel had been on my heart lately. I have her phone number at home and I said I was going to call her. I felt she could direct me in my search for a female Dr. after having surgery for cancer. I just so happen to look online, wanting to see her and I find she has passed. What a shock...but you know what? She loved God, that is what's consoling this sorrow.*

Dr. Skannel delivered my last baby. A beautiful baby girl. I was so impressed with her not only her accomplishments in being a female Dr. but her gentleness, kindness and Love for Christ. I looked forward to my appointments with her. She would comfort me. The Lord and Dr. Skannel made my birthing experience the best. She was so approachable. She would call me at home.

I am sorry for our great loss but we can rejoice that she is rejoicing with the Lord. Thank you Dr. Skannel for your Love and kindness of Jesus the Christ you displayed. I will remember you ALWAYS sweet precious lady. Sweet GOD, help us with this sorrow!

“ I met Dr. Skannal when she started working at MMFM years ago. She was a kind, soft spoken person who never had an unkind thing to say! When my son passed away in 2004, she took time out of her busy schedule to take my family out to dinner. I will never forget her kind words of support and encouragement during that time. It saddens me to hear of her untimely passing! She was a great role model! May she Rest In Peace.

“ Aunt Deb,
Not a day goes by that I don't think about you! I thought I posted in the beginning but somehow it never made it... It's amazing the mark and impression you left on others reading the prior comments below! I'll always remember your words of wisdom, your random inspirational text message and how you would pray for us over the phone. The way you cheerfully gave and never missed a beat! So many remarkable memories come to mind when thinking of you! Matthew 25:14-30 comes to mind when thinking of you as well, because you left an amazing legacy behind! You will forever be in my heart and on my mind! Your crown awaits you! I Love you! TO GOD BE THE GLORY!

“ *My most sincere condolences to the Skannal family. I only met Deborah recently as a work colleague in South Bend, IN, but I immediately took notice of her calm demeanor and gentle nature. I always appreciated the time she took with patients and her detailed notes. From reading the other comments, it is apparent that she touched countless lives during her lifetime and will be sorely missed. God's blessings to the family in this time of bereavement.*

Sincerely,

Carlos R. Bolden, MD

“ I had the pleasure of working alongside Dr. Skannal when she did locums work at Carle Hospital in Urbana, IL. As a fellow OBGyn physician Dr. Skannal cared tirelessly for our high risk obstetric patients. She had a huge heart that made room not only for our patients but for each of us as well. She thanked me for working with her each time I saw her. The truth is that the pleasure was mine to be working with her. Her faith was strong and evident in her work. She was always positive and never had a bad word to say even in the most difficult of situations. I wish I could have told her more how much I enjoyed working with her. I had not anticipated she would not be coming back to see us, she kept her illness private. I believe she wanted us to remember her the way we saw her last - vibrant, caring, faithful and full of life. We will truly miss you Dr. Deborah Skannal. I look forward to seeing you again beyond His pearly gates.

With love,

“ Dr. Scan (this is what we called her when she was at Dillard University) was my roommate during our first year in college. What a personality!!!! She was honorable, sweet, smart, and caring. She knew that she was destined to become a great physician. I am so delighted that we reconnected a few years ago. I thank God that she was a part of my life. I will miss the text messages. I will MISS DR. DEBORAH GAIL SKANNAL.

“ *Debsy, My heart has been aching for you since the day I heard you were in the hospital. Just to know that you went through the pains that you went through, hurts my heart also. I want to THANK YOU for being my sister, teacher, coach, friend, prayer warrior, supporter, advisor, and about twenty-five plus other characters. You will never know what you meant to me and my family. I'm going to miss our weekly texts, as I started to text you the other day, and realized you were no longer there. It's really hard for me, and I can't stop the tears from flowing and I know that's something you don't want. Just know, I LOVE YOU so much, I MISS YOU, but you will always be in my HEART and MIND as I have always told you. REST my sister, you deserve it. Meet Daddy at the Heavenly Pearly White Gates.*

“ To my sister who I loved and adored and admired growing up as well as the woman she was. My heart is truly aching for you my sister but I know you're in a much better place than I am. Thank you so much for teaching me how to play tennis, helping me with my math homework until I cried, having church with me and the other siblings growing up when we wanted to play in the back yard and make mud pies. You were one the most generous and caring person I knew. Thank you God for creating such a special person. I will forever love you and you will forever be in my heart. Thank you so much for everything. You will be missed dearly. I LOVE YOU!
