“ *I am very sorry for your loss. Debra was an amazing woman! I will never forget her devotion to her family or her caring ways. I became a part of her life through Demetris and enjoyed every minute of knowing her. From taking a taxi to get to parent -teacher conferences and attending them even when Demetris was home-bound ,or to calling the school and speaking up for me-Debra is unforgettable! Another way I know she excelled at being a human being is her wonderful family. A family that is equally devoted to those they love. Debra set the example and her children follow it. Her boundless courage and love for her family assures me that her children and family now have a beautiful. guardian angel. My prayers are with all of you.*

*With love,

“ I am very sorry to hear about your loss of Debra. May you take the words to heart at Isaiah 25 : 8 which tells us that God will wipe the tears from our eyes and death will be no more. May the love you receive from family and friends help you during this difficult time.
