In Loving Memory Of Delores Anderson:

Delores Anderson was born June 30, 1933 in Detroit, Michigan to parents Homer and Mary Ann Tarpley. Delores was part of a large family, three brothers and three sisters. She was the youngest of seven. Her mother, father and three brothers preceded her in death.

She grew up on the north end of Detroit, and was affectionately know as "Poolie" to her family and friends.

Delores was employed with DMC Sinai Hospital for years until she retired.

She was joined in holy matrimony with Barron Anderson on September 6, 1968 who preceded her in death. Delores was also a hairdresser; any given day you could come by her house and she was doing hair.

Delores loved family, family holidays and family traditions. Once a month she would meet with her sisters and her niece Tanya for an afternoon of family fun, lunch and playing card games, such as: Keno, "S----- Your Neighbor" just to

name a few.

Delores was a resident at Faith Manor Senior Community, where she was floor captain, treasurer of the Bible Study Group, and received several awards for her participation in building affairs. Also Delores was crowned queen of the building.

But most of all, she loved her son. She had a very special close relationship with him.

Today, the angels are rejoicing for a good servant has finished her race. Delores made her transition on Wednesday morning March 30, 2016.
