

## Pastor Delphine Lynn Glenn

January 31, 1958 - February 12, 2015

### Her Journey:

Pastor Delphine Glenn was born on January 31, 1958, in Detroit, Michigan. Her parents were Mildred Turner and Solomon Turner. She was the eldest sibling of Kate Turner (who preceded her in death) and Rhonda Elliott.

Pastor Delphine was happily married to Pastor Reginald Glenn for 34 years. From this union was born two sons; Antoine and Jewaun Glenn. Pastor Reginald fell in love with Pastor Dell at first sight and told her that she was going to be his wife; she quickly skated away and laughed. The prediction proved true; the following year, on June 27, 1981, Delphine and Reginald were united in holy matrimony.

At a very young age, she was called to advocate and care for others. She was experienced in the matters of the heart, both spiritually and physically, which was reflected in her more than 24 years in the medical field of Cardiovascular Research.

Pastor Delphine was a woman that had a spirit of excellence, tenacity, a woman of determination: there wasn't a "No" that she couldn't turn to a "Yes." She had a presence about her and was very supportive to her loved ones. Her grandson Troy and great-niece Addison meant the world to her. There was nothing that Pastor Dell or "Miss," as she was affectionately called by Addison,

wouldn't do for them.

For those who knew Pastor Dell, they would describe her personality as a fighter, a warrior. She was one who never backed down from a challenge. It's not uncommon to hear stories from her relatives to confirm that very fact. She was definitely the cousin to call when you needed help. Pastor Dell fought with the same courage and tenacity to the very end.

At the age of 17, she received the call to salvation. For more than 30 years, alongside of her husband, God used her in street evangelism in some of the most deprived and dangerous neighborhoods in the city. She had a strong anointing in the area of teaching. Her teaching ministry focused on restoring the believer back to their kingdom purpose. Pastor Dell also had a strong heart for children and seeing their spiritual development.

*Pastor Glen was a great woman of God. I am very upset about her leaving us behind but who am I to question God. I can only give him thanks in every situation we find ourselves. God giveth life and he taketh life. She was the light God used to open my eyes to my missionary work in Africa. Pastor Dell. You are at piece with your maker. We all loved her.
