“ Rest In Paradise Demarco. You were a cool dude and funny as ever with your popular self. I remember when I last seen you at the mall and you didn't remember who I was lol man you silly because you know good and well that you didn't forget Kelley lol. I couldn't stay to kick it wit you because I was on a schedule but believe me if I could, by the time our conversation was over you would have remember who I was lol. But it's cool I know it wasn't nothing personal and you just forgot me lol. I know sometimes when it's outta sight it's outta mind. I called over to the house way back in 04 on New Years to talk to your sister and wish her and your nephew a Happy New Year and you were still in Vegas and she was telling me that she had another lil man a year ago lol and she told me his name and then she was like where you been Kelley and I'm like right where have I been lol but I haven't forgot about your family. I still remember your nephews names and their birthday's and you already know I haven't forgot you homie. Even though lil Kelley was a mess it's all love wit me and speaking of love my cousin Ciara was telling me that you were her baby godfather and that you looked out for the baby on her birthday. I was like oh ok that's cool but I didn't know that she knew you foreal lol so you already know me I had to ask about your sister and your nephews and she ran their names down lol so I told her to tell you. I said what up and I was going try to come to the baby party so I could see you but guess what I didn't make and she said that you didn't make it either lol. But on another note I thank you for looking out for her baby that was 100 and I hope that she be there to show her respect to you and for you if she knows about this but she should because as you know everybody is on facebook and that's actually how I found out by facebook. I see you made you a page too but I noticed it didn't have any friends it must not have been your cup of tea huh. And even though I never told you this but I love you Marky. Man you've been cool people since Oakman & Drew days, your like my lil bro homie and I believe that you knew that that's why you were looking out for the baby not even knowing that she was related to me. Tru100Shit && We all love you. Ciara, Nahla, & I, Kelley Kelz. May you Rest well in Paradise with Peace. God has you now. You have won your race so now I will just say

welcome into the Lords arms. May your family have the strength to endure at this difficult time. Rest In Paradise LiL Marco. You will be truly missed by many. Real Talk FRFR.
