“ To my cousin T,

I'm sure you know this really broke the family, we miss you already so dearly! The most protective person has now gained his wings to serve as a protectant of God. I appreciate everything from the laughs, the hugs, and the time spent. You leaving so unexpectedly took a chunk out our hearts, but eventually we will gain our strength back. The family will make sure your mother, kids and grandkids will be well and protected just how you would want it. Love you always and forever. Sweet pea.

“ Precious family memories of the 5 children Tee raised from childhood to adulthood. Two his blood and 3 of his honorary children through his past marriage with Londa. He gave the same love to them all throughout the years. Truely a man with a beautiful heart and full of family love. Praying for their healing hearts: Kyia, Terel, Dajuan, Jazmine and Tae. Missing pic for BJ.
