“ This morning I woke up with you on my mind. Getting ready to figure out how to get your headstone with Dominique’s under there because you’re with him and he is with you. I miss you so much every day I don’t know what’s going to happen or how to feel or how to think, but I know you are with me and I really miss you so much. Tell auntie Wanda I say tell Isaiah I said hey I love you guys and I’m definitely gonna get your head together your picture and Dominic Picture is going to be on it keep watching over me because I feel so alone without you nobody to nag me nobody to call me and pray with me like you do your words were so powerful I don’t think you even know about that but I thank God each and every day for you keep leading me and ask God to keep me covered. I love you mom

“ Ms. McGarr you were one of the sweetest down to earth ppl that I've met on this here journey. I spent many of days with you and Malcolm and the love you had/ have for him will always be unmatched. You were/are the mother that he needed. We shared many of laughs in his chair on many late nights I will miss seeing and hearing about you. Lol you and Auntie Wanda were the only people I knew with a whole Christmas village in their house and it worked funny lol. I thank you for the memories and the brother I never knew I needed you will be missed. Rest peacefully. With all of my love Nicole

“ My homegirl as I called her. I always got a laugh in when I was around her. We would tear some crab legs up. We even took a ride to Chicago and she had me stop twice before we got there to check out some lucky spots 😊. RiH friend
