“ *My sincerest condolences to the family.*

We went to Highland Park High School together. Denise, Carmen and Michele otherwise known as the CBS Crew as Henry called us. We had so many good times and adventures together. Life is funny after high school we grew apart for a time then ran back into each other at the Rep Your Class events and it was just like old times, laughing, talking, reminiscing. I was so saddened to hear of her passing. She was a bright shining light!!! You can rest easy now Sis, you've done well. You are already missed Love you forever Niecy!!!
