“ *I worked at The McNulty's salon for several years. I became a client of Dennis' before long. He was always so gracious, very patient and in order. An excellent barber and a joy to work for. Not one negative thing can I say. A former client of mine that I ran into the other day told me the news. I was and am very saddened. Dennis made his mark in this world. I appreciate EVERYTHING He and his lovely wife Bertha did for my family and I. My deepest condolences.*

“ *Dennis was a wonderful man of God, friend and an excellent business man and barber! His steadfast commitment to his family, his faith and his customers and clients will never be forgotten. Personally, I was truly saddened at word that he'd come to the end of his journey but his understanding of life, Almighty God and the certainty that we all must accept that life on earth will end is what he left us all. “ To the McNulty Family. - We first met Mr Dennis when in the USA visiting with family - my Sister Susan introduced as she recommended that he was the 'Best Barber' for my husband and sons - they certainly loved their hair cut, and so it was on every visit to the USA - Mr Dennis McNulty was their Barber.

We last saw Mr Dennis February 2020 when we made our visit to the USA for our father's funeral - that was a sad time for our family. Mr Dennis, Miss Bertha and family opened their home to our family, showering their love, kindness and compassion - it was a wonderful time of fellowship -Mr Dennis was just recovering from surgery - he had such a BIG HEART! He was a man of God!! He lived it and was a demonstration of the love of God.

Mr Dennis has now transitioned to a place where he will no longer be in pain, he will no longer suffer sickness or disease. May he rest in Eternal Peace.

We pray for Miss Bertha that the Lord keeps her strong during this sad time , may she feel the love, comfort and strength around her at all times as she goes through her grief and sorrow. May the Peace of the Lord be upon you and with you.

Love to you all.

“ *To The Family of Dennis McNulty*

My family and I were deeply saddened to hear of the loss of our beloved friend Dennis; We feel honored and blessed to have known Dennis for over 25 years. He will be truly missed.

We will never forget the kindness and compassion Dennis showed when I became ill and could no longer drive. Guess what? he came to my home every other Sunday for years to give me a haircut and shave. Instead of him taking credit for his good deed; he would simply say; I was in the neighborhood.

Our hope for you is to find comfort and strength in having fond memories of Dennis while he lived.

“ In Ps. 37:23 it reads the steps of a good man are ordered by Yah. Then in Prov 18:24 you find that a friend sticks closer than a brother also in Titus 3:2 it speaks of one being gentle & showing meekness further, in James 1:19-20 you'll read about how to conduct your speech & anger plus being quick to hear/listen..but what resonates w/me about my friend Dennis is found in Ps.116:15. Precious in the sight of Yah are the death of his saints.

These scripture embodies who Dennis was, be assured his environment & attitude reflected who was at the core of his being because he was always ready to give an answer regarding his faith living up to 1 Pet 3:15

Dennis was an exemplary model of what a good husband, father, grandfather, friend & businessman should be. He lived out 1Tim 6:11 & Rom 12:18 by following righteousness, godliness, faith, love, patience, meekness & living peacefully w/all men.

Dennis was my role model, mentor, employer, friend & buffer. We had many meaningful conversations at the salon of which I shall treasure. I will dearly miss him. He was a "for real person" reading the scriptures from now will remind me always of him because he lived it. We shall see him again he has just gone the way of the earth..shalom la-he-tra-oath...see u later Rabbi Dennis
