“ *Michael, Sam and Family, EDC Blount, though an Executive in his later years with the DPD was always a friend to the DPOA and LSA, there were times of disagreement, but you always knew where he stood and that earned the respect of all who knew him. After retirement I see Him walking down Monroe street and never failed to stop me and ask "How's it goin" and then words to the effect "Your not working to hard are you" and laugh. Michael I feel sorrow for your loss, remember the tears you shed today are but for the joy you've had in the past.*

“ To the Blount Family, may you cherish fond memories of EDC Blount (Frank). His life was not lived in vain, but with a purpose which reached so many people in the Detroit Community. No longer suffering, but making joyful noises within Heavens! God Bless the entire family.

“ To my Blount Family,

It is with my deepest sorrow that I convey my heart felt condolences. Frank was a man amongst men as he trailblazed into history books as a police officer who crumbled the walls of containment...and for this, he is my hero...

“ Frank, my "other mother" Mary [Ester "Red"] Richard will miss all of the intelligent political discussions you have engaged in these many years. I will always be thankful for the example that you set as Deputy Police Chief, and grateful for my enduring friendship with Mike and Cara.
