“ *Dear Sis. Alese and Family,*

*I'm so sorry to hear of Springer's passing.
When the Lord calls our Loved Ones home, He leaves us with the gift of memories. I applaud Min. Springer's zeal for Christ and discipleship of souls. And I appreciate the friendship he shared with my Mom (Mother Elizabeth Allen, Hospitality).*

May Happy Memories carry you all through your sorrowful times. In the Name of Jesus.

Dear Alese and family,

*Since the news of Derrick's passing, I wake up In denial hoping it is all a bad dream. He was so strong, vibrant and on fire for life, ready to make his next successful move. I remember from elementary through middle school when you and Derrick would come by my Parent's home and siblings after school almost 5 days a week or so while waiting for your Mom to pick you up after work, our motto.. was let the adventures began 🏠 🚲 🎉 We had some of the best times growing up and with all of our relatives and neighbors from LeMay and Corbet. Family love never and great times never end! I will definitely miss my amazing cousin and have awesome memories of the times we shared. On behalf of your cousins, The Stevenson Family... If you need absolutly anything please, please, please don't hesitate to reach out to us. We are a phone call and hop, skip and a jump away! If you don't, we assume all is good. Hint, hint!
Love you dearly! Cousin Alese and children.
