I imagine there are no words of consolation to ease your grieving heart.

Over time, and even more right now, we have learned and know that life is fragile.

*I'm a phone call away (323-671-0827 ... and 3000 miles away).
Would love to hear from you ... would love to see you.*

Know that You are loved!

“ *Danna - No words can express the depth of my sorrow. I remember the day Derron was born. We were so excited!! I had the wonderful opportunity of being with him almost every day when he was first. That was the beginning of a bond that could never be broken. His smile lit up a room and warmed my heart. This is a hard time but I hope we can all take comfort in knowing that he is in heaven with Estelle, Granny, Granddaddy and Andy. In heaven he is his best self. In heaven he recognizes how much we all love him. He is happy and at peace.*

*Love,
Cher*

Ms. Brooks,

I am so deeply sorry for your loss. Derron and I went to elementary school together and you guys lived right around the corner from us. Although I havent seen or heard from him in years when I got this news today it hit me like a ton of bricks. Derron was a great friend of mines and he will always hold a special place in my heart. I have so many memories of him and I remember how much you guys loved each other. I ask that our LORD and SAVIOR give you peace that surpasses all your desire for understanding. HE is your one true comforter at this time. Please look to and rely on him MS.Brooks and he will see you through. Be strong and treasure the time you were able to spend with him. You are a beautiful woman and a wonderful mother...GOD BLESS, Love Valencia

My prayers go out to you Danna. I still can't believe he is gone. Derron was like a brother to me. We share so many memories! We learned how to play basketball, football and baseball together! I know he is in a better place! Know that I am here for you and his son! I love you and miss you! The next time I am home I will be sure to stop by and see you. May God bless you and your family and bring peace and understanding to you guys!
