“ *Derron Nelson you have always been one of the sweetest souls that I have crossed. ❤️ We Love you so much, and I Pray your soul is at peace with the LORD! I'm asking that all Prayer Warriors come together in Prayer! PLEEEAAASE keep his Mom, (My Sister in Christ) Yolanda D. Givens, the rest of his Family & TNH Family lifted in Prayer. 😞 GOD, your covering for strength/comfort, and peace is needed at this time, which we know your powerful hands will provide!*

Anyone who truly knows me, they know that I HATE goodbyes so I always say, "See You/Talk To You Later" Derron.....My Sweetie, this is a #SeeYouLater moment! LORD, grant us all strength in You on today, tomorrow, next week, next month, and simply until we meet him again. We Love Always Babes ❤️

Ephesians 6:10 (ESV)

Finally, be strong in the Lord and in the strength of his might.

“ Derron was always so outgoing and full of life. I remember in high school there were countless times where he would be making everyone laugh. I could just think back on many of his stories and smile. His spirit was so loving and you could feel it whenever you were around him. He has touches the lives of so many people and will truly, truly be missed.

Now , Father God.

I ask that you bless Derron's family. I ask that you wrap your loving arms around them in their time of bereavement. Comfort them, Lord. I pray that in time their hearts will heal and that the joyous memories that they have will get them through the hard times. I just ask that you cover them, Lord. In your son Jesus Name, Amen.

“ My daughter was A classmate at CCP, I'd sit and talk and laugh with Derron in the hallway while I sold snacks during Basket ball games, He was such a nice young man very respectful and before our conversation ended he would invite me to come to his Church to see his mime performance.... I regret I never made it to a performance, But I will always remember his beautiful smile!!

“ From the time your mom found out she was carrying you, you've been my baby. From the happiest kid I knew to the handsome young man you grew to be you were and always will be my baby. Your beautiful smile and infectious laughter will never be forgotten. I loved you then, now and forever. Rest Peacefully Nephew

“ Derron and I had 12 years of friendship. So many ups, downs, laughter and tears. But through all of that there was always love! Charles Derron and myself were the best of friends and even though he isn't here with us physically, his spirit will live on through us. Our lives are forever changed because of you! To y(OUR) family we love you and you can always count on Charles and I for anything. We love you always and forever Derron! BESTFRIENDS FOREVER! STILL 3 STRONG
