“ *I had the pleasure of working with Diana and consider it a privilege to have known her. She had a true passion for helping others and was a genuinely kind-hearted person.*

“ *Diana was a wonderful person, kind, caring and creative. She and I attended Cass Tech High School together years ago. We shared a lot of classes and had a lot of fun times in the Performing Arts curriculum. She was one of the best dramatic readings persons in our class. Although we didn't always keep in touch as adults, whenever we ran into each other, we just picked up our friendship where we left off. Her smile will be missed, but I know she is in a better place. My prayers and condolences to the family.*

“ *Ms. Pack will be truly missed. She was one of my biggest cheerleaders and always had a word of encouragement for me. She always would tell me how proud she was of me and that I had a beautiful spirit and that would take me a long way in life. She was always positive in the most negative moment. Those big eyes and smile will be missed. Without her I literally would not be sitting in the seat I am in now. She has impacted and changed more lives than she know. The Great Ones are always taken from us to soon. (Lisa Ritter WSUPG)*

“ With my deepest sympathy I send my condolence to Diana's family. I worked with her for four years and she always had the kindest, most uplifting thoughts to share. It's very rare to meet a person that can point out your strengths and bring a smile to your heart. I know she will live on in everyone's memories with her gracious spirit and warm heart. I will keep all of you in my prayers.

“ Mrs. Pack was witty, kind, considerate, beautiful, and funny; a real sweetheart! I had the pleasure of working with her at Wayne State University Physician Group in the psychiatric department, and she was loved by all the staff and our patients. Diana blended in perfectly. I'm so glad I was able to share all the accolades she received from everyone in our office, just a couple of weeks ago. She spoke well of everyone and was always a great encourager. To her daughter, know that she was Godly proud of you; to her mom, you kept her laughing; to her husband, she loved you. I will continue to pray that God heal the broken hearts of her family.

*Diana was truly a gem to work with. She was always pleasant, always smiling and always helping. She also always had an encouraging word and spoke very highly of her daughter and family. I am so glad to have known her and she will truly be missed. Heaven has indeed received an angel. My condolences to your family.*
