“ Diane you were my second mom when I moved to Detroit. I didn't have my family there with me so you made me your family as well and I also got a bonus sister Medina and your son is my best friend and you treated me like your daughter even when I messed up or did some dumb stuff I knew I was in trouble with you. I'm going to miss you so much words can't explain the pain in my heart and I'm thankful I was able to tell you how much you meant to me. I will forever hold a special place in my heart for you Ma and I will miss you for the rest of my lifel.

To the family

You've experienced such a huge loss in saying goodbye to a mother, sister or whoever she was to you and I am so sorry you've lost someone who you and family loved so much. As a first cousin, I love her as well. Just know that I am thinking and praying for you and my family. Love ❤️ you all
