“ *To Diane's Family ~*

Much love and respect for Diane. I worked with Diane for many years at the Royal Oak Post Office and I can truly say she was a beautiful person, and I felt very lucky to call her my friend. We had a lot of good times together and supported each other through the bad. We were good friends for a number of years and lost touch after she left the USPS. She loved each of you, her family, very much and spoke often of you all - her children especially. I know that it is never easy to let a loved one go, but perhaps it was her time to fly. We can only wish her safe travel. Remember we all now have another angel in heaven to watch over us.

Much love and sympathy to all,

Lucy Morton
