“ *Dear Patrice,
To you and family, i would like to express our deepest condolences. Dimitri was well liked by many of his peers and managers within the Visa International family. Although many had not spoken to him recently they were proud of his school and professional accomplishments. I was lucky to have met you, your father and some other family members in Silver Spring. We will never forget the time, joy, smiles, jokes shared with Dimitri.
Cher ami et frere Patrice, sois courageux devant cette epreuve.*

Pensees pieuses et prieres pour notre frere Dimitri et toute la famille.

*God bless!!!

“ I worked with Dimitri side by side for several years in Maryland. He was a kind, intelligent, and thoughtful. Always smiling, always caring, always willing to lend an ear and listen to whatever may worry you, and always willing to lend a hand and help however he could. It was my privilege and my honor to know Dimitri. While we did not stay in touch the last few years, he was always in my thoughts and my memories. I will miss him terribly. I will keep him and all of his family in my thoughts.

“ We will miss all the times we celebrated life's events together from Communion class with the kids, movie meet-ups, to paint ball birthday parties. We never quite got those Kreyöl lessons going for the kids. Dimitri you will never be forgotten. Eternal rest grant unto them, O Lord, and let perpetual light shine upon them. May their souls and the souls of all the faithful departed, through the mercy of God, rest in peace. Amen.

“ Dimitri has been a member of our community for decades and he was loved and respected by many. Dimitri was dependable, helpful, but also quiet and reserved; however, when occasion called for it, he proved himself a passionate champion for just causes. On behalf of Haitian Network Group of Detroit, I offer my thoughts and well-wishes, and pray that the good memories see his loved ones, and particularly Alain, through the difficult times ahead.

“ *You gave a piece of yourself to everyone you met and left them better than the way you found them. We are so grateful to have been blessed to know you. May your son reap the fruit from the many seeds of kindness that you sowed throughout your years, may your family find peace and comfort during this time of grieving, and may you now rest in eternal peace.*
