“ I salute you lady....
Thank you for your extension on daily kindness. You were such a giver of yourself and sometimes tangible things. I smile at the memory of telling you that I just loved the hat that you were wearing and I would love to locate one. You made it your business to purchase and gift one too me. Every time someone had complimented my hat, I thought of your smile and the glow you always had when you did so. I will remember it and you forever. Rest in Paradise Silver Fox. I love you and may God watch over your family through their journey. BIG HUGS
