

Ms. Dolanda LaTrice McMillen

January 5, 1969 - November 6, 2020

In Loving Memory Of:

Dolanda “Dodi” McMillen earned her angel wings on November 6, 2020. She graced us with her presence on January 5, 1969 in Highland Park, Michigan, the daughter of the late Clarence McMillen and Ruth Ann Spann (McMillen). Dolanda graduated Church Hill Educational Center, Royal Oak, MI and received her degree in cosmetology from Ferndale School of Cosmetology, 1990. After graduation, she pursued her passion as a hair stylist. She brought a new level of style and elegance to the beauty industry. She furthered her career by becoming an entrepreneur and proprietor of Tru Beauty Studio. She was baptized into the Christian faith in 1988 at Greater Grace Church and was a current member of Triumph Church, Detroit.

She was affiliated with Pure Network, a support group for business women. Dolanda loved fashion and always dressed the part. She enjoyed interior design, traveling, and mentoring many young ladies in their pursuit to greatness. Her favorite pastime was sitting quietly by the water with a good book.

Dolanda was a devoted daughter, sister, mother, grandmother, cousin, and friend. She was preceded in death by: father, Clarence McMillen; grandparents, Alversia Spann, Victoria McMillen, Herman and Loraine Morgan; nephew, Aaron J. Salter; and aunt, Veronica McMillen.

Surviving her are daughter, Dalicia LeFlore, son Travis L. Lee, and grandson, Chase LeFlore.

Of course, Chase was the joy of her life who always brought laughter by the little things he says. One time Dodi, who was not known for her driving skills, backed out of her driveway when the moon was visible in the rear window, Chase suddenly yelled out, "Grandma, you hit the moon!" when it disappeared from view. She laughed later when telling the story because she actually stopped and started looking up and around to see what she had hit. Dear, Dodi, you have now surpassed the moon.

“ To the family of Ms. Lady, aka Dolanda,
Is is still hard to admit that Dolanda is with the Lord now. I am glad she is happy with Jesus. But, my mind is still trying to let her go. I wish she could have stayed longer. She had so much business knowledge (always took care of her business), so beautiful inside and out. I can not wait to see her in heaven.
Bless you family for knowing such a great Lady - No one is like Dodi.

*Francine and Brad Oppat,
