“ Dolly, you were a wonderful neighbor and friend. So kind – a birthday never went by when you didn't send a card, even to our dogs. I could never get over how you'd make your trips to the dollar store with all 3 dogs in the front seat! So thoughtful, you'd pick up little things and then give them to us as gifts for Christmas and other special days. I'll miss our talks by the fence, Mike sharing his cookies & spaghetti with you, and your kindness in dogsitting for anyone who asked. Sometimes you'd have 6 dogs running around! It all began when we brought Luci home. You loved her so much you had to have your own Desi. Then came all the others over the years. You treated my dogs as if they were your own, my girls and your boys. We're going to miss you dearly, Dolly. Rest in peace, my friend.

“ Aunt Dolly remembered ever family member's birthdays, including my grandchildren, which are her great great nieces. She remembered all special events. She always showed her love through gifts, letters, texts, calls, and any way possible. She unselfishly cared for people, and was loved beyond words. She had a sense of humor like none other. I remember her a my youngest son playing at my mom's house many years ago when he was about 5. I have so many memories of her. Rest in peace and love dear Aunt. You will forever be loved.
