“ Moo Moo.... my multi-talented cousin. I watched you grow into a beautiful butterfly. Everyone was graced by your presence. Even though your time was cut short in the physical form, your spirit/legacy will forever live on. Diallo and Denver were blessed to have you as a mother and teacher and I'm sure they'll never forget you (the family won't let them). Smile from above with those deep dimples and watch over the fam. We love you baby girl!

-Your cousin Tricia Pogue
