“ *Dominique. You were a wonderful human being with a beautiful smile and a kind heart. I admired your work ethic and told you countless times. I enjoyed working next to you all night long. You always talked about how much you loved your little baby nieces. My heart is absolutely shattered for your family. Especially your sister whom you spent hours each night on the phone with. I am kept awake at night thinking about your nieces growing up without you “the cool aunt” in their lives. I will miss seeing you at work. You were a true and genuine person. I will think about you for the rest of my life. Sincerely, Jess on F05 from MAP*
