

Mr. Donald Hannon

September 11, 1950 - February 18, 2019

Donald's Journey:

Donald Hannon was born on September 11, 1950 in Detroit, MI to the late Beanie Mae Moore. He was the second son of three brothers.

Donald's life in appearance was of a troubling nature as a result of no male guidance. As a result, Donald struggled with education, religion and family values. However in 1978, he received his GED.

In June of 1985 Donald was reborn when he joined Narcotics Anonymous (NAA). He was world renown for his service work rendered.

In 2000, Donald's life took another change when his mother informed him who his father was. That same year he was also reunited with his son, Jamel Stephens whom became his world. As long as Donald had, Jamel had.

In 2011 Donald met the love of his life, Latice Dowdell. They united in marriage on March 3, 2011. They accomplished more together than he had ever accomplished in life. Donald's family values were restored upon meeting and marrying her. However, prior to meeting Latice, Donald doted upon his mother, they were like two peas in a pod. He took her and her friend to Vegas and where ever she wanted to go. When she became sick he was her caregiver.

Donald and Latice loved concerts and dressing each other immensely.

“ Donald you will truly be missed. The legacy that you leave behind on this path is remarkable. Thank you for being a beacon of light and a hope shot.

Thank you for being committed and helping countless others. Well done though good and faithful servant enter into the glory of His promise. For death is but asleep, so today we weep not as though who have no hope, but we know we'll see you on the other side in that great getting up morning when the dead in Christ shall rise first. Love and respect always...Desirae M. Kalamazoo, Michigan
