“ *As I sit here, I can't believe the time that has passed and you're not here. You will never be forgotten. Today marks 1 year since your baby brother gained his wings. I hope you all are up there laughing and having a ball. I love you always and forever. The hurt never goes away. Thank You for the love you gave whenever you could, It is missed but I hold it dear to my heart.*

I know it's so strange that it's been a year for the baby boy. Hopefully the brother's are having a brother reunification . I pray for all who have gone on before us. Enjoy life and love yourself and your family. God bless .

“ My life will never be the same. I think of you all the time daddy. Everytime I listen to Kem, I either smile or cry. I play your last voice mail of yiu saying you love me. I pray you are in good hands. I pray that momma is with you as she never was the same after yiur passing. Now that she is gone too, It keeps me sort of in a food place knowing yiu two coukd be togeather. I pray there is an after life because I want to see you again when ever my time comes. You are my first love and i miss the heck out of you. The pain never ends, it just subsides. Forever your baby girl.

“ *Donald Melvin Smith is my father. I would not have traded him for the world, through good and bad times my father has always shown his love. I can give countless memories on this page but I just want to let everyone know that he will truly be missed in my heart and soul. I cannot stop thinking of your passing, but I know one day I will heal. I love you to pieces. Your baby girl... My Momma.*
