“ *Mr. Lockett, You made such an impression on me that lasted my whole life! I was just a kid dating your son (Vernon) I was so nervous to meet his father.. Then the day came and you welcomed me with a huge hug! I can remember my face being pressed up against your many gold chains & you smelled SO good! I felt welcomed and included, thank you very much for that! The love & light that you had so naturally truly helped shape the woman I am today! (a force to be reckoned with to say the least) Rest Easy, enjoy being truly free!!*

“ *My brothers and myself grew up with Chucky on Linsdale and we stayed friends as we got older and even as the day he died. He would say some of funniest things that you either laughed or smile. I will miss him dearly. He and my brother Ben were very close like brothers. I know a piece of my brother heart is missing Chucky. Chucky you can now Rest in Peace and no more Pain.
