“ From teaching me how to ride my bike, to showing me that you would protect me, we have been through a lot. I never thought the day would come when I would have to say "goodbye". We have a lifetime of memories. But what I wouldn't give to make a lifetime more. I love you Don Juan. I promise to stay close to your mother, wife, and children. I am going to miss you.

“ DJ, you have always occupied a special place in my heart! I'm so glad that you listened to God speaking through me the day before your homegoing! I told the enemy he couldn't have you when you were in your early twenties, and he didn't get you then or now! Rest in heaven, my special nephew! I love you and I will never forget you!
