“ *Dear Tate Family,*

I loved your mother for the way she loved her grandchildren. They will always feel her joyful spirit within them. I selfishly will miss her cooking.

Your family will be in my thoughts.

“ To Shantrell and her family,

It's always sad when we lose someone we love and cherish. I pray that you and your family will hold on to the memories you have of her and continue to build upon the legacy your grandmother left for you all to carry on. Remember God is the great Comforter, even in times like these. I will pray for peace and joy for you and your family.

Your Sister in Christ,

“ Sarah I know God will comfort you and fill you and your family's hearts with a flood of wonderful memories of your mom; I have many too. I especially love her “frankness”; although she would be serious, I don't think she realized her delivery was humorous; therefore, I (we) would be respectful and listen and after she out of range to hear us, you and I would LOL. Love You, Terri

“ *Lori and family,
We were deeply sadden to learn about the passing of your
grandma. Your grandma was the love of us all in the Dietary Dept at
Henry Ford Hospital...she was our mom and we loved her very
much. We will keep you and your family in prayer, that the Holy
Spirit wil comfort you and your family through this difficult time.
Love you always, Sandi & Kathy*
