“ *I will always fondly remember the wonderful neighbor and friend Mrs. Dorethea Fleming was to our family when we lived on the Northwest side of Detroit. Her family stayed on Patton, while we stayed the next street over on Fielding, both corner houses. I will never forget her taking the time to beautifully do my hair for my 12th birthday and am so thankful I was able to recently reconnect a few years ago to share with her how much that meant to me and the difference she made in my life. She also reached out to other girls in our neighborhood starting a Y-teens group where we were able to grow as young ladies. I fondly remember the time she led us in having a fund raiser so that we could take a trip to Cedar Point and do other fun things. She was an amazing woman and wonderful role model whom I will always remember as kind and caring and like a second mother in the community. Our thoughts and prayers will continue to be with the family! Sincerely, Yalonda (Lonny) Carter Dixon*
