ME

“ *My prayers and thoughts are with the family in this grief-stricken
moment. The families take comfort in knowing that the one you love
is in safe hands and is being taken care of by angels. I will always
be there to share in your sorrows. I hope and pray that she never
leaves your side and always watches over you from her heavenly
home.*

*Difficult though it may be I know for sure she would want us all to be
the same, spreading joy and peace in the lives of those around us.
May we remember her example, so that she may continue to smile
even in her heavenly home.*

My dear friend Doreen rests in peace.

“ My deepest sympathy and condolences to the family, I pray comfort and strength for each of you during this most difficult time. I came to know Doreen at Schneider Logistics, she was already working on the Ford Account when I joined the team. She was pleasant and hard working. Doreen was well organized and always helpful to others no matter what they may have needed. She received much praise from customers as her voice was so calming and professional. We had so much fun at work.

There are so many special memories that I will hold dear as she will always be forever remembered within her Schneider family. I grew closer to Doreen over the years and was happy to see her promoted for all of her dedication and hard work. I will always cherish the days of laughing, playing bingo, having team builders, along with secret Santa celebrations and tailgating. You all will remain in my thought and prayers.....Matthew 5:4

“ It is with great sadness that I learned about the loss of Doreen Hall. Doreen Hall was inspiration to everyone including myself, and she was one of the kindest, most caring lady. She will be greatly missed by many of Detroit Diesel colleagues. Her contribution as numerous as they are lasting will be remembered. My condolences and prayers go out to Doreen and her entire family at this difficult time.

With deepest sympathy,

“ When we spoke of a strong independent woman, the woman that always came to mind was Auntie Doreen. She was graceful as she was strong. I always admired her femininity. When I was young I used to say I wanted to be like her when I grew up. It was funny that to me and my siblings she was a "style". If you had something nice and classy be it furniture, clothes or a house we would say it looked Doreen-ish! I will miss my Auntie so much. The world has lost a classy wonderful woman. But indeed heaven has gained an Angel.
