“ I have known my friend Doris (Granny) for many years. We worked together at Michigan Bell. She became a dear and wonderful friend. We did many things together and had a wonderful time. I spent many times at her home in Detroit at many gatherings meeting her siblings, girls Veronica and Theresa along with her 3 grandkids. We shared family, church and life's memories. I moved to Maryland but We always talked on the phone almost every week and saw each other when i came home. I will truly miss her. She will always be in my heart. To her family, you now have another Angel watching out for u. Sending u love, prayers and blessings during this time.
