“ To Linda & Family, With thoughts and prayers In the Loss of your Mother. "A mother's love is a gift from God that will live forever in the hearts of her children" In this time of deep and very personal sadness for you & your family, these prayers come in faith that God will make his presence gently yet powerfully felt in your life, through the comfort and peace only he can give.

As you keep your mother's love in your heart, remember, too you're surrounded by thoughts of support and caring~ today and in all the days to come.

Mrs Doris, you will truly be missed....God bless You!  
With Deepest Sympathy,

“ Doris L. Franklin ...

*I love YOU... this is not for you because you knew. This is for the people who loved and cared for you the most. My brother once told me that people closes to GOD have gifts that they leave behind, and finally I understand just what that means. See we were linked by God, meaning God put us on the same path. I know that because only God knew what I needed and it was she.*

*I do not have to say much other than God gives us gifts so we can carry on, and those closes to God help us get closer to him.*

*Therefore, to those who knew her and loved her I want you know she was special beyond what you thought to me she had heavenly ties she was my gift. We had a way of communicating... it was in the eyes and our kisses hers' mostly slob... (Swallow mama) and our thumbs up sign. That is how I knew everything was and will be OKAY... See she is not dead to me because I understand that God removes the earthly body to do what only the heavenly body can do so to those who knew and loved her... know that she was a gift from God and she will be missed but find what she has left for you and gather strength from it and let her forever live inside of you because I know every time I'm down and out I will smile and throw up my thumb.. Enjoy your journey (heel-toe)-----*

*Doris L. Franklin----- because you will FOREVER LIVE INSIDE OF ME...*

“ Doris Louise Franklin, What a woman. From the time I was a little girl I was in awe of you. I watched you, I mirrored you, and mama I adored you. YOU were a woman of strength of great character. I don't think you knew your own power, you commanded respected and you earned it. YOU had a sense of humor that was infectious. I am YOU mama. I will miss you, you have given me strength. I thank God for the time we spent together over this last year. I have no regrets. When I did not understand why I retired, I now understand. It was to be with you, to pray with you, to love on you, to support you, to carry you and to let you go when God called you home. Forever in my heart. I live my life in honor of you and my heavenly father. I know he is cracking up at some of the stories you are telling....keep it clean mama. I love you. Your babygirl.....Baa
