“ Aunt Doris always made me feel special. Such an intelligent and elegant lady even in her later years. She always had wisdom to share. Kevin and family prayers and condolences to you all.

“ My auntie and I shared a lot of conversation about love, she and I birthdays were a day apart, I would always call her on her birthday and she remembered mines were the next day. I would cook for her a times and she would get on me for cooking and not charging people for the food, she said I order food and pay good prices and it's not as good as yours, lol I loved her and will miss our phone conversation.
