“ Hey Babe, Its really hard for me to accept that you are gone,
I knew I should have been better prepared,
I know its selfish of me,
I just didn't want to allow you to leave,
I prayed hard Babe,
Harder than ever before,
I begged God to hear me crying,
I demanded that he not allow you to feel another second of pain
anymore,
I told him to make a way,
To let his will be done that day,
But I think he confused my cries,
He didn't quite understand,
I wanted him to heal you,
To give you a recovery,
To do as he always does and bring forth a miracle,
Or maybe I misunderstood my own demands.
I know you are now healed,
I know that you have no more pain,
I know that you are sleeping fabulously,
The most beautiful diva angel with wings that sparkle and gleam,
I know that its just a shell that you have left behind,
Babe I would give anything to be able to hug you just one more
time,
I would try to convince you to leave me your hair,
So I could wear you everywhere I go,
To look at you and tell you I will miss you so,
I would tell you I love you Babe,
Thank you for being my fashionsita inspiration,
My motivation when I was sick,
My Auntie that make silently made me glow,
Babe you are now my shining star,
My sparkle up above,
Protecting us all,
Aunt Doris I love you Babe,
Rest peacefully because I know you were tired and ready to go!
