“ *Words cannot describe the way I felt today when learning about the loss of a really good friend. I will miss seeing her at walgreens and how we used to kid each other all time time. I used to hide her stock cart when she wasn't looking..we laughed when I got caught. She was an amazing lady and I miss her. So if you can hear me Doris..please send that massager for the Rx dept.... It was a joke we had.... To her family...you are in my prayers. Your friend..Cathy koso*

“ *Doris you have always been one of my life long friends. Since the time we met in elementary, we have always been friends. It didn't matter if we hadn't talked or seen each other over any period of time, we always had that sisterly love and close friendship whenever we could find the time. We didn't know that it would be our last conversation a few weeks ago, when my cellular pocket dialed you, but God knew and he wanted to give us that time together. Thank you, Doris, for always being such a faithful and loving friend. I am missing you already, but God has you now so I know you are at peace and happy. -Consuelo J Harris*
