“ My niece, "Dottie Jean" will always be within our hearts as we  
cherish her beautiful memories. I have so many memories of our  
talks and the laughter we shared. Although no words can really help  
to ease the loss we all bear, just know that her kind spirit will be  
remembered forever and may we find comfort in her memories.  
GOD puts people in our lives to leave footprints in our hearts and he  
will always be with us, even in our darkest hour; so take comfort and  
strength from his goodness and mercy.
