

Mrs. Dorothy Jean Allen

December 24, 1936 - May 3, 2017

In Loving Memory Of Dorothy Jean Allen:

Dorothy was born on December 24, 1936 in Seneca, South Carolina, the daughter of Dorothy (Keese) and Lonnie Gilyard. Growing up she was known to play sports especially basketball, because of her interest in sports is how she met her husband, L.C. (from Toccoa, Georgia) of 58 years of marriage. After high school, she came to Detroit to attend cosmetology school, and after L.C. got out of the army they reunited here in Michigan.

Dorothy and L.C. got married on December 14, 1957 in Toledo, Ohio. Her main focus was being a wife and a great mom to her three children, as her children got older, she started working part-time for the Oak Park School District in food services. She was an awesome cook. She also enjoyed traveling, but her true enjoyment was for Jehovah God when she dedicated her life on June 23, 1973. All those who knew her, knew she loved preaching to others about Jehovah. She was a regular pioneer for many years, even at times traveling to where the need was great. She has been to several different parts of Michigan, Ohio and Wisconsin to preach. Even when she would travel for pleasure, she found someone to preach to whether in the hotel lobby or on the beach. Unfortunately around 2007, she was diagnosed with dementia/Alzheimer. This disease effects you mentally and then eventually physically, this disease seems to run in her family; her grandmother, mother

and couple of her aunts were effected by this condition.

Dorothy Jean Allen, age 80 of Detroit, Michigan passed away on Wednesday, May 3, 2017.
