“ *With Deepest Sympathy to the Allen and Banks Family,*

*I had the pleasure of meeting Ms. Dorothy through Tiffini and Markiya. My daughter Selena and Markiya are really good friends and spend time together outside of school. One of my fondest memories is when Ms. Dorothy told my baby made her day one day when her spirits were low. My baby was over her house and she walked up to Ms. Dorothy and said "I Love You". I always felt that myself and Ms. Dorothy had kindred spirits. Tiffini, my sista and my friend. I love you and my family loves you. We are here for you. I will keep you and your entire family prayed up daily and I will continue to encourage you every step of the way. Be encouraged to get through this difficult time.*

*Love Shelley, Selena and DJ.*
