“ A tribute

98 years of life-God's grace is truly sufficient.

To have had a relationship with was an honor. You were an amazing woman and even better Sister Elder. So much wisdom: I will never forget the many conversations we had, the advice given and the laughter we shared.

Such a graceful woman. You exemplified the true meaning of dedication. Your life was dedicated to God, church, family and people. God was your source and prayer was your resource. You had an amazing voice and I couldn't wait to hear you sing a few of your favorites "If you are a witness" "Surely the presence of the Lord is in this place" and "I come in my Father's name". 😊

You were a dancer - music moved your hips and feet. You certainly danced for the lord every chance you got. I couldn't wait for you to testify to hear your most famous quote "Good morning Lord!!!!" It inspired me to greet Him the same. 😊

You were an extraordinary speaker and so many people were inspired by you. I loved hearing the stories of how you helped people in your building. You showed up every church service (when it was in your power to attend) in uniform ready to serve. Many left, but you remained until the end. That's dedication. (You took your last walk in the church two before resting.) 😊

One of your favorite scriptures- St. Matthew 11:28 "Come unto me all ye that labor and are heavy laden, and I will give you rest." You spoke of a difference between man's rest and God's rest, and you only wanted God's rest. You now have God's rest. 😊

You were a loving, fun, joyful person with a splash of sass. LOL. Very few things made you frown, one being an off-key singing note. (LOL) Singing was your thing and boy, did you have an ear for it.

Haha

You loved the Church of God and Saints of Christ. You proudly spoke of your dedication to it, and how (back in the day) you used to walk the streets to sing God's glory. You watched many get their heavenly wings and now you have yours. You loved the pastor and prayed that God would crown his head with wisdom.

So many things to say and write- I'll leave it at this: job well done!

“ *As I remember Sister Elder St. Dorothy Bryant, I remember the great joy and affection she had for the saints. I remember the love and respect she had for her pastor. I remember the stories she would tell of the days of her youth. I remember the offices she held and how she held them with pride and dignity. I remember her beautiful voice: I remember how well she spoke, read, and sang. I remember her smile and distinguished laugh. I remember our lovely conversations. I remember glancing at her over the left of my shoulder, and she would smile and just knew to sing the beautiful alto that was missing. I remember one of her favorite songs, "Surely the Presence of The Lord Is In This Place." I remember the love that she had for ALL the daughters. I remember the encouragement she often gave the saints to get right with God and do it now. Mostly, I remember how she loved the Lord! I remember the happiness and delight she had in ministering for the Lord. I remember her favorite scripture: "Come unto me, all ye that labour and are heavy laden, and I will give you rest. Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls. For my yoke is easy, and my burden is light." (St. Matthew 11:28-30), Mama, as she was affectionately called, is at rest with the Lord! She was loved dearly and greatly missed.*
