“ *To All My Cousins, and to Her Children,
As we prepare to celebrate the life of our beloved Aunt Dorothy, I
want to take a moment to share my heart
with each of you.*

*Aunt Dorothy lived a long and beautiful life, full of faith, strength,
and love. As the eldest of her siblings, she
carried the Brannon legacy with grace, wisdom, and that
unmistakable spirit we all came to cherish. She was a
steady light in our family - always present, always honest, and
always full of heart.*

*Some of my most meaningful memories are the simple ones - the
conversations, the laughter, the sense of
belonging she gave me. Our aunts made me feel safe, loved, and
grounded. Their advice? Always real. Always
needed. Always Brannon style.*

*I am grateful that my sister Sandra and I had the opportunity to see
her one last time. That moment gave us
peace. And now, as she rests, I trust that she is with our Lord,
reunited with those who have gone before her,
and surrounded by eternal joy.*

*Even though I will not be there in person for the service, please
know that my spirit is with you all. I am
praying for comfort, unity, and the continued strength of our family.
With all my love,*

Troy

*"Trust in the Lord with all thine heart;

“ Dear Carter Family,

I was deeply saddened to hear of the passing of your beloved mother. Please accept my heartfelt condolences during this time of sorrow.

At 94, she lived a life that was full of grace and quiet strength. I remember her as a kind and gentle soul—a woman who nurtured her children with love, patience, and wisdom. It was always evident how deeply she was cherished by her family, and how much she poured into each of you with care and devotion.

Her legacy lives on through the love you continue to show one another, the values she instilled, and the many lives she touched simply by being herself. May your hearts find comfort in the memories you shared and the knowledge that her spirit will always be with you.

You are in my thoughts and prayers.

*With deepest sympathy,
Tanya (Tyson) Duncan*
